

## Rideau Park United Church Healing Pathway 2017

### Healing Pathway Thursdays from 12:00 p.m. - 3:00 p.m.

Healing Pathway is a prayerful practice of healing in the Christian tradition, through prayer, meditation and the laying on of hands. Christian healing involves the trust that God works in ways we cannot understand, to bring healing, wholeness and health. All healing comes from God and Healing Pathway practitioners are merely channels of God's healing grace. Prayer sessions will now be available most Thursdays from 12:00 p.m. - 3:00 p.m. in the Meditation Room. Individual appointments may be booked by emailing: [healingpathway@rideaupark.ca](mailto:healingpathway@rideaupark.ca).

Contact Steve Clifton or Brian Neal for further information about Healing Pathway at Rideau Park.
