

**Introducing our 2010 Stewardship Campaign
Co-Chairs: Rod and Linda Hagglund**

It is my pleasure to introduce this year's Stewardship Campaign Co-Chairs, Rod and Linda Hagglund. Given their long history at Rideau Park, I am introducing you to someone that you may know quite well. Rod and Linda have been active at Rideau Park for many years.

The Hagglands are involved in a diverse set of activities at Rideau Park. Rod has served as Chair of Council, as a Steward, as a teacher and is currently Chair of the Property Committee. He wrangles the camel in the annual Christmas pageant, entertains us with Newfoundland-style humor at the annual Lobster Supper and was a truly scary Goliath in the recent children's musical: "The Rock Slingers Greatest Hit".

Linda has served as an elder, as a teacher, has led the Cherub children's choir and served as Chair of the Worship Committee. She manages costumes at the Christmas pageant and helps decorate the sanctuary for seasonal celebrations.

Linda and Rod are part of a four generation Rideau Park family. Rod's mother Wilma attends church along with grand-daughter Andrea Laliberté and her husband Marc and granddaughter Wendy. Rod and Linda's grandchildren Hailey and Sydney make up the youngest generation of the Hagglund clan. RPUC continues to be a central part of their family life. We are very blessed by the presence and participation of all the members of this wonderful family.

We are blessed to have Rod and Linda Hagglund and their family in our midst, week by week, over many years, here at Rideau Park United Church. We look forward to Rod and Linda's leadership throughout our 2010 Stewardship Campaign.

Sincerely,

Steve
