WHAT IS UNITED WE STAND: THE EOORC CAMPAIGN FOR VETERANS' HOUSE?

The Eastern Ontario Outaouais Regional Council (EOORC) of the United Church of Canada has made a commitment to fundraise for the construction of Veterans' House: the Andy Carswell Building. Veterans' House is Multifaith Housing Initiative's fifth housing community and provides a 40-unit supportive housing residence for veterans who are homeless or at risk of homelessness. Veterans' House residents will have access to mental health and addiction services, a dog park for training their service dogs, social activities and programming, and plenty of communal space to allow for collaboration and community building. Construction on Veterans' House has been completed and many of the residents have already moved in!

We invite you to give generously to this project, making note that it comes from the United Church campaign and which congregation you attend. Thanks!
