

UCW January/February News

Happy Valentines Day

The UCW Executive and Units continue to meet via Zoom, or connecting with phone calls and emails. Unit 7 hopes to hold some online unit fundraisers this Winter, and an actual bake sale in the Spring. We will keep you posted with details.

In the meantime see where our dollars are at work. Check out the link below to a YouTube video by posted by “Clean Cooking Alliance” and reposted by the Guatemala Stove Project, Perth, Ontario; a charity the UCW supports. The Guatemala Stove Project was brought to the UCW’s attention by two members of Unit 7 independently as one the UCW could possibly support. We have done so for the last three years.

Sweet dreams are made of Chocolate!

What did the pickle say to her valentine?

You mean a great dill to me!

Please have a look at the next page. We hope you will be able to join us at the live-stream protest on Facebook!

Stay safe! We miss you!
