With many thanks to Peggy Rader, whose enthusiasm (and family connections!) inspired our April fundraiser in support of the United Church of Canada's Mission and Service Fund - dedicated to Ukraine humanitarian assistance.

Andrew Rader, SpaceX Mission Manager and author, will give a Zoom talk on Earth and The Solar System, with a Q&A session, on **Sunday, April 24th at 2:00 p.m.** Please contact Nancy McPherson (nmcpherson@rogers.com) to register for this event. Virtual tickets are \$20.

Please note: **THIS SESSION WILL BE RECORDED!** So if you are unable to attend at 2:00 p.m., you will be able to watch the session at a time convenient to you. Please let Nancy McPherson know if this is the case when you contact her, and she will let you know how to access the link.
