OUR 2ND BIGGEST FUNDRAISER, AFTER THE BAZAAR

JOIN US FOR ALL THE BENEFITS

Units 2 and 3 have had a long history of organizing the Used Book and Nearly New Sales for many, many years. It has been a wonderful opportunity for volunteers from all units, from the congregation and the community to work together, get to know each other AND to raise funds for the local charities the UCW supports.

In addition, we are actively RECYCLING and REUSING - This is part of what we can do on an individual and local scale to help reduce negative environmental impacts on the earth. It a great chance for thrifting and excellent source materials for crafters who want to create with used materials.

The sales provide an opportunity for the larger community (and ourselves!) to SHOP for bargains - cost of living increases are no joke. In fact these sales are win-win-win-win-win.

FUN FACT: The Nearly New falls on Earth Day, April 22, 2023. You can help mother earth by shopping quality gently used garments (and books).

Please consider joining in by dropping off your gently used spring clothing and/or your paperback used novels AND staying to help sort and cavort. Caffeine provided to keep those energy levels up.
