

# BAZAAR BREAKDOWN

THE REWARDS OF WORKING TOGETHER

in more ways than one

## Volunteers & Community

The Bell Rang - excitement, joy, and anticipation filled our hearts as we returned to our in person Bazaar on Sat., Nov. 4th. Rideau Park shone as we welcomed our families, friends, neighbours and the greater community through our open doors once again. Our joy at seeing regular bazaar goers was reflected back in the success of this Community Event - Our Church Community, Alta Vista Community and beyond. The success of this event is because all of you volunteered - the value of volunteer time is 100 % reflected by the rewards volunteers feel personally on Saturday and the financial help Rideau Park will be able to send back into the Ottawa Community .

## Sharing - Our UCW Finance Meeting

Please join us on Monday, November 20th at 1:00 pm in the Church Parlour. We meet to have the first discussion of where the funds raised from our various UCW activities will go.

PLEASE visit and complete the Google Form link at the bottom of the email accompanying this newsletter. We value your opinion.

## Blessings - Our Candlelight Service

Join us on Monday, December 4, 2023, at 1:30 pm as we worship together, review our year and make final financial decisions.

We hope to serve refreshments after the meeting and service, COVID-willing!
